AFFIDAVIT OF DEPHONSO WILSON AS TO THE

ATTEMPTED MURDER OF DERRICK LEE CARDELLO-SMITH BY CURRENT WAYNE COUNTY PROSECUTOR KYM L. WORTHY (P38875) & FORMER JUDGE IN 1997 TO HIRE ME TO KILL THE SEXUAL ASSAULT VICTIM DERRICK LEE CARDELLO-SMITH #267009 FOR THE PRICE OF \$3,500.00 DOWN-PAYMENT

In June 1997, After witnessing the money exchange between Cardello-Smith, Ms. Worthy, to Sean Combs, Ms. Worthy (who I later discovered was a judge) noticed me looking at the bag of money.

Two days later, I was brought back to Detroit from my home in Bay City and I was taken to Belle Isle, where I then personally was introduced to Kym Worthy.

She stated to me, as we sat in the car that brought me, 'Do you know who

I am?", Not being from Detroit, I stated, "No."
She then said, "Good, but know that I can make shit good or bad for you, and you seem like the type who'd like a little good. "She said this as she looked directly at me, a Little hesitant and nervous, I said, "Yeah, I could use a little good in my life." She pulled out an envelope, handed it to me saying "This can be yours, if you do one little thing." I said, "What?" I was in need of cash and I must have seemed eager because she said, "Remember that guy you saw me hand that Bag of money?", I said 'Yeah".' If

you do me a favor, you'll get this and more, I want you to kill him!" i said "What?!". "I know who you are, all of you guys that hey bring to have sex with the girls background and I know you can do it. This is \$3,500.00, you kill that guy and it's yours.. I know you're homeless and living on your friends couch in bay City, I know your Mother and Sisters live in Saginaw..When she mentioned my family, I knew that she was serious and it was meant to let me know she could hurt my family.... But look," she said, take this.' she handed me \$500.00 from the envelope."Just think on it and I know you'll come to the right decision." Her face and eyes looked mean. 'I'll send for you in a few days and you let me know something good..Remember, good things happen to those who want something good, your my friend right?". I was afraid so I said, "Yeah, we friends." AS I said before, I didn't know who she was, but the guy who brought me there was driving accidentally or on purpose said, where to next Judge?", and said said, as she got out of the car, Take Him Home!."

It was at that moment, I found out she was a judge, though I still did not know her name, then, I became extremely scared and knew a Judge could do anything to me. I went back to Bay city, then Took the Bus to Saginaw, I told my Mom what Happened and she was scared, but said 'Don't you say shit!" to nobody, I don't want my baby to be found dead, Judges and Cops Can make you Gone! so we can't speak of this of she'll come after us..you have to make your own choices, but I don't want to know what you choose.. My Mother knew all this in 1997.
